Elemis wins at the Australian Beauty Awards 2009

It is with great pleasure that we can announce that **Elemis Exotic Frangipani Monoi Bath & Shower Cream (RRP \$50)** has won the **'Best Shower Product'** category at the Australian Beauty Awards, with judges enthusing...

“This is like Bali in a bottle. Its actually more than a shower cream, it's a holiday.”

Elemis Pro-Collagen Quartz Lift Mask (RRP \$120) also came a close runner up in the **'Best Face Mask'** category.

The Australian Beauty Awards are the country's biggest-ever magazine media beauty initiative. Over 4 months a panel of 17 beauty experts including editors from leading magazines madison, The Australian Women's Weekly, Cosmopolitan and Harper's BAZAAR tested over 1,600 submitted products.

We are thrilled that Elemis has emerged from this enormous pool of skincare, body care, cosmetics and fragrance with two successful products!
